**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons:

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Reasons:

ANON-CQBP-P9ES-7

Sub # 003

EASTERN AREA:

- 10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.**

Do you agree? Yes

Reasons:

- 11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.**

Do you agree? Yes

Reasons: This is a very busy area at that time of day and not having the lower limit until now for the high schools is very dangerous. The amount of vehicles parked in the area and pick up and drop off areas block a significant amount of vision of pedestrians and slowing down (if properly monitored) will assist. I feel that the limit should have been further extended along Silverdale road between the two primary schools. Using the road between 3pm and 3.30pm the pedestrian traffic from all the schools is also a hazard.

SECTION 2

- 12. Where do you live? (Hamilton)** Wattle Place Chartwell
(I live outside Hamilton)

- 13. Can you tell us your age group?** 36-50

- 14. Which best describes your household?** Family or couple with dependants (children or other family)

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

- 1. KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons:

NORTHERN AREA:

- 2. ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: Gordonton road doesn't need to be dropped to 60k! People go slow now and it will make traffic problems worse. Gordonton road doesn't need to be dropped to 60k! People go slow now and it will make traffic problems worse.

- 3. NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: As long as you put up decent signage.

- 4. KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

- 5. BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? No

Reasons: Do it when school is built.

- 6. GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: People won't slow down from 80k to 60k then go back to 80k.

NORTH WESTERN AREA:

- 7. ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

- 8. TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons: Make sure signage is good.

- 9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? No

ANON-CQBP-P9EW-B

Sub # 004

Reasons: I said No because I don't know why the problem would be as I live on other side of town?

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons:

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Sub # 007

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: Safer for pedestrians, school students to and from school, also the retirement home that is on ruakura road

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Also making Barrie, d

Dalesford, Southsea cres and Nevada Rd. Plus side streets a 40 km/h zone. At some point there is going to be a bad accident due to speeding cars

SECTION 2

12. Where do you live? (Hamilton) Southsea cres Silverdale
(I live outside Hamilton) Hamilton

13. Can you tell us your age group? 51-64

14. Which best describes your household? Living with others that are not family

SECTION 3

15. Do you wish to be heard in support of your submission or feedback? No

16. Do you have any supporting information you would like to include?

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: This is a residential area, with lots of sport activities and daily walkers.

There are a lot of distractions in place already. A constant speed limit (say 50 or 40) will be better than having a variable speed limit

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: All schools should have 40km speed limits in place. All schools should have 40km speed limits in place.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: As above all schools should have 40km speed limits. It is very busy there with lots of children commuting to various schools. It is important to make it safe for them.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Same as above, actually this should probably be 30 kms given the number of children commuting.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Due to number of crashes, although I think lights or roundabout would be better and reduce some congestion on Thomas Rd.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Any area where there are schools should have speed restrictions in place and this should have been done *before* Endeavour School was opened!! Please review all school zones in our area. We have a lot of tradie and construction vehicles coming through here and they treat it like a construction site rather than a residential area. Any area where there are schools should have speed restrictions in place and this should have been done *before* Endeavour School was opened!! Please review all school zones in our area. We have a lot of tradie and construction vehicles coming through here and they treat it like a construction site rather than a residential area.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Absolutely. Please could you **clearly** indicate where the school zone is (ON BOTH SIDES) and **WHEN** it is enforced!! Better still, have traffic calming measures on that road and have a permanent 40 kph speed limit.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: As above.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Yes please for reasons above. Sooner rather than later please.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Which intersection are you referring to? Thomas Rd/ Gordonton Rd? If that's the intersection, go ahead with my blessing. Personally I'd like to see speed restrictions on Gordonton Road **as soon as** you enter Rototuna.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

Sub # 021

EASTERN AREA:

- 10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.**

Do you agree? No

Reasons: Wairere Drive is supposed to make travelling around the city faster yet it is full of traffic lights that slow vehicles down (such as the lights letting traffic out of Fairfield - they shouldn't be there and cause huge delays at rush hour, why wasn't the traffic leaving Fairfield using the roundabout that is just south of the Fairfield lights). The current 60km section on Wairere Drive already had many sets of lights and traffic clogging areas - don't add more or you are encouraging people to rat run down residential streets.

- 11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.**

Do you agree? Yes

Reasons: All schools should have a variable 40km speed zone

SECTION 2

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Good short term fix but will need a better solution long term

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Reasons:

ANON-CQBP-P9S9-U

Sub # 025

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons:

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons:

SECTION 2

12. Where do you live? (Hamilton) Foxbury Court Rototuna
(I live outside Hamilton)

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: People know to drive to conditions natural traffic flow slows this area any way

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: People need to be responsible for there own ability to read the conditions we need to keep traffic flowing there are enough inhibitors around to decrease the speeds
People need to be responsible for there own ability to read the conditions we need to keep traffic flowing there are enough inhibitors around to decrease the speeds

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? No

Reasons: School zones slowed inhibit traffic flow
They do not create a safer environment

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? No

Reasons: Creates to much traffic therefore creating the opportunity of accidents

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? No

Reasons: I do not agree with 40 km limits around schools

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: Let's just have a set speed everywhere how many signs do we need

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? No

Reasons: Let's keep traffic moving

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? No

Reasons: Why?

ANON-CQBP-P9ST-P

Sub # 026

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree?

Reasons: We need to be able move around the city easily

Road conditions determine speeds

Also nobody takes any notice

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? No

Reasons: Traffic controls this

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? No

Reasons: Nobody observes these anyway from experience a waste of signage

SECTION 2

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: Becoming a higher pedestrian area and thus making it a safer area especially for people at night

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: New school and young kids so makes sense

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: School so yes again.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Future proofing is essential for future school projects

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: 80km per hour zone is too quick and high area of risk coming from at Thomas Road

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: The speed of gordonton road traffic isn't the major problem at this intersection. Driving down that hill people pull off of Thomas road without looking. Some people will see you coming, pause and still go. I think that there should be an extra lane added where they only have to give way to the right and merge with gordonton traffic further up once they have reached 80kmph. Having to slow down to 60km will be annoying and won't stop stupid drivers pulling out.

NORTH WESTERN AREA:

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: It needs to cover more than just Thomas Road - Puketaha Rd/Gordonton Road is also dangerous & should be 60km fixed the whole stretch to reduce accidents. Better to have one set speed limit for the area & have it fixed than to vary it. Varying it will potentially cause more accidents from people unfamiliar with this type of signage (a lot of people) which changes according to vehicles from Thomas Road, not set time frames like I have seen others used for (e.g. peak hour). Slow the traffic down & fix the problem by having a fixed 60km/h zone from a good distance on the Wairere Rd side of Puketaha Road, to a similar distance along Gordonton Road on the other side of Thomas Rd.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013

67

ANON-CQBP-P9SQ-K

Sub # 032

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: On Wairere Drive I believe there needs to be a 60 km/hr limit close to the Gordonton Rd round-a-bout as cars here race around too fast making this intersection dangerous where so many decent drivers wait for those bad cars to clear.

Also here in Mears Rd, St Andrews the road is very narrow and cars travel too fast. My roofer had his wife's dog killed & several other animals have been struck so how long before a child gets killed on this narrow race street?

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Can we scrap the term variable and leave it as a fixed limit as this saves the confusion?

SECTION 2

12. Where do you live? (Hamilton) Mears Rd St Andrews
(I live outside Hamilton)

13. Can you tell us your age group? 51-64

14. Which best describes your household? Living with others that are not family

SECTION 3

15. Do you wish to be heard in support of your submission or feedback? No

16. Do you have any supporting information you would like to include?

17. Contact Details:

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: It's more unnecessary regulation without an obvious safety basis, even if you do create angled parking. However I realise you're going to do it anyway regardless of feedback.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: As a nearby resident I'm strongly in agreement with a VARIABLE limit, as the traffic there is just diabolical at the beginning and end of the school day. However there is absolutely NO justification for making it a permanent limit. As a nearby resident I'm strongly in agreement with a VARIABLE limit, as the traffic there is just diabolical at the beginning and end of the school day. However there is absolutely NO justification for making it a permanent limit.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Similarly to #2, ALL schools should have variable limits and should not require a bylaw to enact these. If there's a new school it should have variable limits automatically approved as part of the planning process. Don't wait until after it's complete to play belated catch-up!

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: as above

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: as above

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: Deal with the real safety issue - too much traffic volume for that intersection design. A roundabout would be much more appropriate in that setting.

NORTH WESTERN AREA:

7. **ROTKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons: Always keep to 40kph near schools.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Always keep to 40kph near schools.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: A roundabout would be far more beneficial.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

ANON-CQBP-P9SY-U

Sub # 034

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? No

Reasons: Drivers would not keep to 60kph in such a design of road.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Always keep to 40kph near schools.

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: Knox is a wide street and is able to be navigated easily. The traffic volume through this street is minimal. 30km/hr would be challenging to abide by. Please consider a 40km/hr speed limit.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: The speed limit should be 60km/hr for the length of Gordonton Road.

That combined with a Stop sign at Thomas Road intersection should reduce the amount of crashes at this intersection.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

ANON-CQBP-P9YC-B

Sub # 040

Do you agree? Yes

Reasons: Please consider a 60km/hr speed limit from the West side of Lloyd to Brymer road intersection.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? No

Reasons: The ring road should maintain the same speed limit for as long as possible.

Please consider the removal of the roundabout at the end of Fifth Ave for replacement by another set of traffic lights.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons:

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: I feel a round about would be much more valuable as this is a continual site for accidents and bottle neck traffic and I don't think just a speed limit will achieve very much.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Reasons:

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: I think a lower speed on Gordonton Road will give people turning right from Thomas Road onto Gordonton Road a better chance to enter safely. I would even support a 50 km speed limit on the approach to the intersection.

Long term - Big roundabout!

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: There is often lots of cars and pedestrians and cars coming and going from car parks and the car park building.

Moving to 30km/h would make this street safer for all

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: this part of the road is not straight and can have poor visibility. this part of the road is not straight and can have poor visibility.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: this would make all schools relatively the same within the city

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: as per Q4

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: This would make this intersection a lot safer

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

ANON-CQBP-P9YW-Y

Sub # 046

Do you agree? No

Reasons: I do not agree to this change being made now in the current state that this part of the road is in.

Extensive work needs to be completed that should include widening of a portion of the current 70km/h area, footpaths, drainage and lighting before the speed limit should be reduced. While this work is being constructed the speed limit will obviously need to be reduced. Motorists will get used to a lower speed limit during construction and then when all the work is completed the 50km/h should be put in place.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: makes sense

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: keeps all schools the same

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: If HCC wants to encourage shoppers back into the city, introducing a 30km speed zone will have the OPPOSITE EFFECT. A 30km speed zone is one I will avoid.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons: On the basis that this is a school zone, and therefore for a short distance - yes. On the basis that this is a school zone, and therefore for a short distance - yes.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? No

Reasons: Lets keep the city moving!!! Slow zones everywhere are an inconvenience.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: As this is a school zone - and therefore for a short distance - yes.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? No

Reasons: Wait until the new school is insitu.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: Keep traffic moving PLEASE!!!

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? No

Reasons: Change the roading, not the speed limit. Keep the city moving PLEASE!

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? No

Reasons: No. PLEASE keep traffic moving!!!

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? No

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons:

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

ANON-CQBP-P9YQ-5

Sub # 052

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree?

Reasons:

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree?

Reasons:

SECTION 2

12. Where do you live? (*Hamilton*) Meadowfield St Flagstaff
(*I live outside Hamilton*)

13. Can you tell us your age group? 25-35

14. Which best describes your household? Family or couple with dependants (children or other family)

SECTION 3

15. Do you wish to be heard in support of your submission or feedback? No

16. Do you have any supporting information you would like to include?

17. Contact Details:

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: Lowering the speed limit enhances the 'place' function of the street and potentially improves safety for people crossing at either end.

It does beg the question; why Knox and not London St? At face value London street is narrower and has a higher number of people on foot.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Gosh this is hard to work out, a map would really help!

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? No

Reasons: Why variable? The school is basically the only thing on the road at this point.

Make it a fixed 40km/h speed limit - saves money and is easier to enforce.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: I agree with the principle of making that intersection safer, but that'll likely struggle to get user compliance. A better solution needs to follow promptly.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

ANON-CQBP-P9YY-1

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: Gordonton Rd / Puketaha Rd needs a full upgrade to reflect the amount of traffic it carries. In its current form it's dangerous for cars, and virtually unusable for bikes and pedestrians. A speed limit change is merely trying to cover up a grossly substandard road.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Attachment 2

Item 5

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree?

Reasons:

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: With the ongoing development in this area, we are seeing an increase of families with children. It is important for kids to be able to "play in their neighborhoods" as we all did as children (going to friends houses, biking etc) and also be able to safely cross roads.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons: With the increased usage of heavy vehicles and a mix of smaller vehicles like nz posts newer electric delivery vehicles. It is important that space can be shared safely. An increase of road usage in this area also requires traffic to move at a safe speed.

ANON-CQBP-P9Y2-T

Sub # 056

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Reasons: I live in a street where i can see this road from my house, all too often you see cars speeding up and down this road next to children playing near these roads, sharing space with people walking dogs or jogging. Increased housing in this area also requires a need for speed to slow down, especially for those moving in and out of side streets and driveways in this area

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: I frequently travel both ways on Gordonton Road between Thomas Road & Wairere Drive. I feel the speed limit from Wairere Drive to North of Thomas Road should be reduced to 60km for that entire length, not just around the Thomas Road intersection.

Reasons:

1. Make the Thomas Road intersection safer.
2. Make the Puketaha Road intersection safer. This intersection is just as hazardous as the Thomas Road intersection.
3. Darjon Drive – turning right into Darjon Drive is dangerous because there is no turning lane & cars following are travelling at high speeds and have to veer around, and partially off the road, to pass the stationary turning vehicles.
4. Stoneleigh Drive - turning right into Stoneleigh Drive is dangerous because there is no turning lane & cars following are travelling at high speeds and have to veer around, and partially off the road, to pass the stationary turning vehicles.
5. Exiting both Darjon & Stoneleigh Drives (turning either left or right) – slower speed on Gordonton Road would make this much safer to do.
6. Vehicles turning left into the drive by Tui Medical at Parkwood. There is nowhere for following vehicles to pass and a slower speed would make this much safer.

ANON-CQBP-P96B-7

Sub # 058

7. Vehicles heading north on Gordonton Road from Wairere Drive are making U turns after the centre traffic island & then turning left into the drive by Tui Medical at Parkwood. This is very dangerous for traffic going in both directions.

8. On both sides of Gordonton Road when passing cyclists you have to swerve partially onto the other side of the road. A slower speed would make this much safer for vehicles and cyclists.

9. People walking along Gordonton Road can only walk on the edge of the road as there is no footpath. A slower speed would make it safer for them but still not ideal. A footpath would be the best option.

10. New Borman Road (and Borman Road when open) would be safer exiting onto Gordonton Road if the slower speed extended to include these intersections.

There are many hazardous areas on this stretch of road and to make it a lot safer the speed limit should be reduced for the entire stretch from Wairere Drive to north of Thomas Road. Even north of Borman Road. Not just around the Thomas Road intersection.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

Do you agree?

Reasons:

ANON-CQBP-P96C-8

Sub # 059

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? No

Reasons: While the 60kph limit is understandable on Wairere Drive to the south of Ruakura Rd because the road quickly narrows to a single lane, Wairere Drive to the north of Ruakura Rd is double laned. The existing 80kph limit is therefore perfectly adequate for the double-laned road. I am not aware of any problems created by the current 80kph limit. The traffic lights at the intersection of Ruakura and Wairere are an effective control on speed. The traffic light controlled entrance to Ruakura Research Centre on Wairere Drive should be closed with all inward and outward traffic going onto Ruakura Rd. The amount of traffic using the Wairere Drive entrance seems to be very limited with only one or two cars tripping the lights each time. I would be interested to see the future traffic plan for the whole Ruakura/University/Hamilton East area as the Inland Port begins operations and the Waikato Expressway opens.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: All speed limits to be introduced in all areas are a good idea to make the roads and areas safer for all residents of Hamilton. I think though that possibly more speed bumps could be put onto main roads around the city to reduce speed and speeding. I know that along Grey Street there is a lot of speeding and aside from being dangerous for themselves, the other traffic and pedestrians it is very noisy and disturbing for everyone. Speed bumps on a lot of roads where there is trouble with speeding may be an idea or other methods of reducing speed such as more speed cameras. Cars could be designed too to just not be able to go over a certain speed limit.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: No enough justification for the change

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: This is too confusing for drivers coming from already 80 km/h Zone. Additionally, there are enough road works that slows down commuters to and from Auckland in the next 4 years.

Suggest visual and road marking improvement than the easy choice of speed restrictions.

Australia has inner city streets with higher speed than some of our highways now!

NORTH WESTERN AREA:

7. **ROTKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? No

Reasons: No enough justification

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: An expanded slow speed area in the CBD should encouraged to create better opportunities for walking and cycling and create better parking supply.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: School speed zones are an effective tool to improve safety for our most vulnerable road users.School speed zones are an effective tool to improve safety for our most vulnerable road users.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: I support safer speed limits near schools to improve safety for our most vulnerable road users.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Variable school speed zones are an effective tool to improve safety for our most vulnerable road users.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Variable school speed zones are an effective tool to improve safety for our most vulnerable road users and should be implemented as soon the school opens rather than reactively once problems have developed.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Intelligent and variable speed limits can help to reduce vehicles speeds, reducing the risk of a crash and lowering the severity of a crash should one occur. I support the use of technology to make our roads safer.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

ANON-CQBP-P967-V

Sub # 065

Do you agree? Yes
Reasons:

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree? Yes
Reasons:

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: I support road layouts and signage that are clear and well laid out. The proposal will make Wairere Drive safer for road users.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: I support variable speed limits near schools to improve safety for our most vulnerable road users.

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: I agree with reducing speeds in general for safety reasons, but I am concerned that the proposed change to angle parking in Knox St will increase the risk of accidents.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: The proposed 10 km/h speed difference makes a negligible difference to travel times over the distances concerned, but makes a huge difference to safety, both reducing the chance of a collision and increasing the probability that any injuries sustained (i.e. by children or other road users) will be neither maiming nor life-threatening.

In general, I think that the areas in around school entrances should give priority to pedestrians as we do in shared spaces. The proposed 10 km/h speed difference makes a negligible difference to travel times over the distances concerned, but makes a huge difference to safety, both reducing the chance of a collision and increasing the probability that any injuries sustained (i.e. by children or other road users) will be neither maiming nor life-threatening.

In general, I think that the areas in around school entrances should give priority to pedestrians as we do in shared spaces.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: The proposed 10 km/h speed difference makes a negligible difference to travel times over the distances concerned, but makes a huge difference to safety, both reducing the chance of a collision and increasing the probability that any injuries sustained (i.e. by children or other road users) will be neither maiming nor life-threatening.

In general, I think that the areas in around school entrances should give priority to pedestrians as we do in shared spaces.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: The proposed 10 km/h speed difference makes a negligible difference to travel times over the distances concerned, but makes a huge difference to safety, both reducing the chance of a collision and increasing the probability that any injuries sustained (i.e. by children or other road users) will be neither maiming nor life-threatening.

In general, I think that the areas in around school entrances should give priority to pedestrians as we do in shared spaces.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: The proposed 10 km/h speed difference makes a negligible difference to travel times over the distances concerned, but makes a huge difference to safety, both reducing the chance of a

ANON-CQBP-P965-T

Sub # 066

collision and increasing the probability that any injuries sustained (i.e. by children or other road users) will be neither maiming nor life-threatening.
 In general, I think that the areas in around school entrances should give priority to pedestrians as we do in shared spaces.

6. GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.

Do you agree? Yes

Reasons: The proposed 10 km/h speed difference makes a negligible difference to travel times over the distances concerned, but makes a huge difference to safety, both reducing the chance of a collision and increasing the probability that any injuries sustained (i.e. by children or other road users) will be neither maiming nor life-threatening.

NORTH WESTERN AREA:

7. ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.

Do you agree? Yes

Reasons: Yes, with Rotokauri one of the next areas to see mixed-use development and intensification, speed limits should be adjusted accordingly.

8. TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.

Do you agree? Yes

Reasons:

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree? Yes

Reasons: Yes, the surrounding area has changed dramatically as Hamilton has spread and the higher speed limit is no longer suitable with the large residential population stretching along the southern side of the road.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: Yes, with the Mitre 10 Mega entrance nearby, 80 km/h is too fast. The proposed change is only for a short stretch and won't significantly affect travel times.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Yes, see my other answers about schools.

Always safety before travel time savings that amount to mere seconds.

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Anything to do with schools I do agree. Anything to do with schools I do agree.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Around schools I do agree

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Around schools I do agree

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: I do agree around schools

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: The reason I do not agree with this is as follows. Firstly I do need to understand the times this 60km/hr will be imposed. Secondly this will not prevent any accidents from happening just lessen the impact of the said accidents as they are still going to continue. Being a resident in the area we hear all of these accidents and it is quite clear that 90% of these occur outside of peak hours when people are NOT paying attention. There have been many heated debates on social media about this intersection and everyone has valid points. I still firmly believe that if you REALLY want to sort this out place a camera at the intersection another 200 meters south bound on Gordonton and another 200 meter before the intersection north bound. You will be amazed as to what you will learn about this intersection.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: I find that having so many changes of speed limits gets very confusing, especially if you don't use a certain road very often. What is more important is asking people to drive to the conditions.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Safety around schools is paramount. Safety around schools is paramount.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: All schools should have the reduced 40 Km in and around them. Children's safety must come first.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: All schools should have the reduced 40 Km in and around them. Children's safety must come first.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree?

Reasons:

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons:

ANON-CQBP-P96N-K

Sub # 069

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

EASTERN AREA:

10. **WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.**

Do you agree? No

Reasons: It is not a natural flow to change speed limits on any section of the Wairere Drive network. It doesn't feel necessary, and I drive the stretch regularly. People don't expect the change and miss signs signalling a change of speed.

11. **MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.**

Do you agree? No

Reasons: The 40 km zones are already intrusive and not necessary in the bulk of places they already exist, with the exception of around schools. Is there any evidence to show the changes are needed?

SECTION 2

12. **Where do you live?** *(Hamilton)* Patricia Avenue Hamilton East
(I live outside Hamilton)

13. **Can you tell us your age group?** 51-64

14. **Which best describes your household?** Family or couple with no dependants

SECTION 3

15. **Do you wish to be heard in support of your submission or feedback?** No

16. **Do you have any supporting information you would like to include?**

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: too many boy racer type cars

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: the sheer volume of traffic is increasing as housing is built
the sheer volume of traffic is increasing as housing is built

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: too much traffic an in too much hurry

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: high accident rate here, and this road isn't policed enough esp. at peak times. also have problems with boy racers early hours in the mornings

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: too hard to get about there.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

ANON-CQBP-P96Q-P

Sub # 070

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Reasons:

EASTERN AREA:

10. **WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.**

Do you agree? Yes

Reasons: cause its working there so extend it for safety

11. **MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.**

Do you agree? Yes

Reasons: should be outside school

SECTION 2

12. **Where do you live? (Hamilton)** gordonton road Rototuna
(I live outside Hamilton)

13. **Can you tell us your age group?** 51-64

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: Knox Street is short, so it doesn't feel appropriate re speed, to have a higher speed travelling between two quite busy roads at either end.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Obvious increased risk to students and the higher number of pedestrians and cyclists associated with the school. Obvious increased risk to students and the higher number of pedestrians and cyclists associated with the school.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Its a very busy part of town with traffic volumes increasing over time. The more speed controls the better.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Greater safety for the students, because of the higher number of vehicles, pedestrians and cyclists due to the presence of the school.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Greater safety for the students, because of the higher number of vehicles, pedestrians and cyclists due to the presence of the school.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: It's a very busy intersection and only getting busier over time. Greater safety of cars turning in and out of Thomas Road can be achieved with slower speeds.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: Again as the city's population grows and with increased urban development in the northern suburbs and surrounding areas, increased traffic volumes with out lowering speeds will lead to more hazards for residents and other road users. It's appropriate to lower the speeds.

ANON-CQBP-P96Y-X

Sub # 071

8. TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.

Do you agree? Yes

Reasons: As above.

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree? Yes

Reasons: As above.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: It strengthens the existing 60km speed zone by adding another 60km section. If you put a faster section on again, eg 80km, drivers will be more likely to ignore and or speed through the 60km speed section and not slow down at all.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: There are a lot of students, other foot traffic, vehicles and cycling in the streets around Hillcrest High School too.

SECTION 2

12. Where do you live? (Hamilton)

Boundary Road Claudelands

(I live outside Hamilton)

13. Can you tell us your age group?

51-64

Item 5

Attachment 2

ANON-CQBP-P96V-U

Sub # 072

EASTERN AREA:

- 10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.**

Do you agree? No

Reasons: This area has no road entries except the Bisley Road which is controlled by traffic lights and has very low numbers of pedestrians along the single footpath that runs along the eastern side of the road. There appears to be absolutely no benefit to reducing this speed limit. This road was designed as an express ring road around Hamilton and it will no longer be this if speed limits are needlessly reduced.

- 11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.**

Do you agree?

Reasons:

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: This will be a key pedestrian connection to access bus stops on Anglesea Street from Victoria Street once the bus network changes in September.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Increased safety for children crossing the road when going to and from school, it will also benefit older and disabled pedestrians who need to cross Endeavour Avenue. Increased safety for children crossing the road when going to and from school, it will also benefit older and disabled pedestrians who need to cross Endeavour Avenue.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Reducing speeds around facilities that require vulnerable pedestrians to cross roads increases safety.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: As above

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Future proofing for reasons as above

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Slower speeds allow for a longer reaction time and the flashing electronic signage will help drivers to realise they need to be alert.

If the variable speed is found to be inadequate in lowering crash rates we support a permanent speed reduction to as low as 50km/ hour if this is thought to be beneficial.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: Slower speeds are safer for everyone.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

ANON-CQBP-P96X-W

Sub # 074

Do you agree? Yes
Reasons: As above

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree? Yes
Reasons: People cross Baverstock to access the stops for bus services, a lower speed will make it safer for them to do this.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes
Reasons: Slower speeds will reduce the risk of crashes near and at the intersection

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes
Reasons:

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: That is way too slow,

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: It's OK to have a lower speed limit close to schools but only during school hours. Why should we slow down to 40km/h at midnight? If there's a kid on the street at that time then a vehicle doing 50km/h is the least of my worries. It's OK to have a lower speed limit close to schools but only during school hours. Why should we slow down to 40km/h at midnight? If there's a kid on the street at that time then a vehicle doing 50km/h is the least of my worries.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? No

Reasons: As above

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: But only during school hours

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: As above

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Seems reasonable

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: Traffic tend to build up so having a roundabout and 60km/h speed is ideal

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons: Sounds reasonable

ANON-CQBP-P9PC-2

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: It's not a busy road and doesn't have high foot traffic.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Totally agree, all schools should have a lower speed limit and I'd be happy with 30km/h speed limit around schools. Totally agree, all schools should have a lower speed limit and I'd be happy with 30km/h speed limit around schools.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Totally agree, all schools should have a lower speed limit and I'd be happy with 30km/h speed limit around schools.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Totally agree, all schools should have a lower speed limit and I'd be happy with 30km/h speed limit around schools.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Totally agree, all schools should have a lower speed limit and I'd be happy with 30km/h speed limit around schools.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: This is a horrible junction where a lower speed limit will help but a better long term solution is needed.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? No

Reasons: Not sure where this is so I'm saying No.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? No

Reasons: This area is going to be busy with large trucks and courier vans. It should be dual lane roads around here...short term vision by who ever approved the new roads. You should design it properly the first time instead of reducing speed limits after the fact.

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree? Yes

Reasons: As a lot of residential homes open on to this road, I don't see why it shouldn't be reduced to protect children...but I'd leave it up to the residents of that area to decide if they want it lowering.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? No

Reasons: It's fine as it is, not sure why you've even proposed this idea. You should be making it a 100km/h limit as it's a good section of road with plenty of safe crossing places for pedestrians.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Totally agree, all schools should have a lower speed limit and I'd be happy with 30km/h speed limit around schools.

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: Not many businesses directory on Knox and parking is available outside of some major areas such as the Angelsea clinic. A lot of the Knox St carpark traffic is probably in the other direction. Hood St is already a slower route through due to foot traffic and Anzac parade is very congested already.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: Not a main route, short distance and provides access between parks. Not a main route, short distance and provides access between parks

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? No

Reasons: Depends on the area. From Bourn Brook Ave south for the 40km/h school zone I agree and slightly north to slow traffic before. I'm not sure what the foot and road traffic is like North but if not currently an issue maybe this can wait until the resolution drive extension is in place.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Variable works well around schools by reducing speed at most vulnerable/high risk time. Temporary is a good compromise as supports good traffic flow busy school start/end times

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Variable works well around schools by reducing speed at most vulnerable/high risk time. Temporary is a good compromise as supports good traffic flow busy school start/end times. Should be applied shortly before school begins operating to adjust traffic before students start but not too long before to unnecessarily slow traffic

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Should be applied at busiest times of day and changing light (e.g. dawn/dusk) when the accident risk is higher until the intersection is modified to reduce accidents (Speed reductions should be a short term measure to reduce the risk while waiting for road improvements). The reduction should also be evaluated after opening of expressway to see if traffic flows have significantly changed

NORTH WESTERN AREA:

ANON-CQBP-P9PK-A

Sub # 082

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

EASTERN AREA:

10. **WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.**

Do you agree? No

Reasons: The construction of the ring road should be adequate to support the current 80 km/h speed. Further bottlenecks and speed reductions will reduce the efficiency of the ring road and result in diverting more traffic to suburban streets having the opposite effect to the desired one.

11. **MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.**

Do you agree? Yes

Reasons:

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: I go through the Gordonton/Thomas road intersection 20 times per week, when I drive my children to and from school. It is dangerous, and there is often broken glass and other material on the road from accidents that have happened there. However, I also drive through the intersection between Gordonton road and Puketaha road, and in my opinion, this is the more dangerous intersection of the two. Visibility is very poor at the latter intersection, especially when turning right from Puketaha Road into Gordonton road. I have had two near-misses here, and feel the lives of myself and my three children are in danger every morning when I make this turn, especially if it is foggy. I write to request that you ensure that both intersections are covered by the new 60km/hr speed limit. If cars were travelling at 60 rather than 80, I would have more time to see them, and more opportunities to make this turn safely. Thank you.

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree?

Reasons:

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? No

Reasons: I live Patatee Terrace off Rotokauri Road and my house backs on to Rotokauri Road. I often walk to access bus services end of Rotokauri Road towards Baverstock Road. Cars often pass me doing excess 100 km/h and there is often joyriders racing on this part of the road as it is a straight bit of road. I propose 50km/h on the entire road, there is no path for pedestrians and walking back at night is treacherous as there are no lights and cars don't see you and are speeding. On that road as a driver I have had cars tailgating me and overtaking in unsafe conditions. To propose 80 km/h on part of that road is crazy and recently a week ago there was a serious accident close to our house. The speed limit is not enforced. I have lived in NZ for over 2 years now and I am shocked at the statistics of Road accidents fatalities and serious injuries. The standard of driving is poor. I feel it is not taken seriously.

ANON-CQBP-P9P9-R

Do you agree?

Reasons:

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? No

Reasons: I disagree not because I am against lowering the speed limit, but because I think it should be lower than 60, perhaps 50 instead. I feel this should be done because I live right off that road, and there are frequently cars speeding across the road, creating a lot of noise pollution. I also feel the need to express the lack of lampposts along the road, it is very dangerous walking back on that road in late afternoon/evening when cars are going 80+. As I'm a student and have epilepsy, I cannot drive and often have to walk back which always worries me. My family have also expressed similar concerns. I often feel like there is a disregard for pedestrians while I'm going about Hamilton, and I think it is a result of an unhealthy mentality to assume everyone drives. These are serious concerns and I would hate for the council to trivialize them. I hope the council will do the right thing.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

ANON-CQBP-P9PF-5

Sub # 089

Reasons:

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: It's a short stretch of road between traffic lights and getting up to 80kph seems dangerous and unnecessary. Reducing the speed might also help ease congestion. Slowing down the traffic should somewhat help to delay the jams.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Much safer for this busy area near library, parks, shops and schools. The corner adds to the danger so a slower speed sounds like a great idea.

Do you agree?

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? No

Reasons: This section of the road is not a build up area like typical residential area and the traffic on this road is not that high. However there are quite a lot of walkers and runners on this section. To

ANON-CQBP-P9P3-J

Sub # 090

improve the safety to all road users, the pedestrian walkway should be in place. At the moment, the walkers/runners travel on the grass berm area and on the road in some sections. Lower the speed the limit will not eliminate the risk of having an accident. The maintenance to keep the grass low is limited so people tend to walk on the road surface instead.

I also strongly oppose the idea of installing speed bumps to force the vehicles to slow down. These bumps are nuisance and create noise when the vehicle goes over, especially at night when this noise becomes quite loud. I've been living on this section for almost 3 years and never seen an accident once.

Hamilton City Speed Limit Bylaw Amendment

Background:

The Ministry of Education is the Government's lead advisor on the New Zealand education system, shaping direction for education agencies and providers and contributing to the Government's goals for education. The Ministry has responsibility for all education property owned by the Crown. This involves managing the existing property portfolio, upgrading and improving the portfolio, purchasing and constructing new property to meet increased demand, identifying and disposing of surplus State school sector property and managing teacher and caretaker housing. The Ministry is therefore a considerable stakeholder in terms of activities that may impact on educational facilities and assets in the Hamilton City area.

The Ministry's submission on the Hamilton City Speed Limit Bylaw

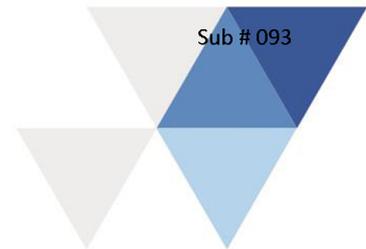

Hamilton City Council is reviewing its Speed Limit Bylaw. This amendment affects several schools including, Endeavour School, Hamilton Christian School, Rototuna High School, Sylvester School, Nga Taitea Wharekura, Hillcrest High School and Silverdale Primary. The Ministry is concerned about the safety and wellbeing of its students and supports the bylaw amendments as shown in the Statement of Proposal. In particular the Ministry supports the inclusion of the following areas:

2. *Endeavour Ave - Introduction of a permanent 40km/h speed restriction in front of Endeavour School.*
3. *North City Rd and Borman Rd - Extend the length of the current variable 40km/h speed limit on Borman Rd and North City Rd. Introduction of a permanent 50km/h speed limit to a section of North City Rd.*
4. *Kimbrae Dr - Introduction of a variable school zone 40km/h speed limit in front of the Rototuna High School.*
5. *Borman Rd and Hare Puke Dr - Add the future Sylvester School to the speed limit bylaw list for 40km/h variable speed school zones.*
7. *Rotokauri Rd - Introduction of a section of 60km/h speed limit in conjunction with a new roundabout.*
11. *Masters Ave, Silverdale Rd, Barrie Cres and Morris Rd - Enable Hillcrest High School to operate the existing 40km/h variable speed school zone as well as Silverdale Primary.*

Relief sought:

The Ministry requests that these amendments are adopted into the bylaw and also requests that the Council continues to consult with the Ministry for any future speed bylaw amendments and proposed traffic investigations, which may affect any school in Hamilton.

Should you have any more queries please do not hesitate to contact as the undersigned as the consultant to the Ministry.

Do you agree?

Reasons:

ANON-CQBP-P9PJ-9

Sub # 098

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: Though I think the road is capable of handling the speed, due to the traffic lights causing some back up of traffic, the safest option would be to maintain a lower speed.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: With the large amount of traffic in the morning with parents dropping students off to school, there is an increased danger of an accident. Reducing the speed will give drivers more time to react to dangerous situations and force drivers to slow down and take their time. Also it will help make drivers aware of the pedestrian crossing through which they tend to drive without checking first.

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: This is a very busy and dangerous intersection. A decrease in the speed limit from 80km/h to 60km/h will help but a round-about may be a better option.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

ANON-CQBP-P9FU-A

Sub # 107

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree?

Reasons:

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Hillcrest High finishes school at different times to the Primary school and the high school students also needs to be protected from traffic moving at 50 + km/h. Teenagers are also more likely to take risks in crossing the road (and not follow rules like Primary school children), so the sign should be able to be operated also by the high school.

SECTION 2

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons: Te Kowhai Rd East is becoming an urban environment with established industrial and commercial use along it and in the periphery. The section of road is very inconsistent with sections of 50 km/h, 60 km/h and 80 km/h speed limits within 100 m on the same section of road. The proposed 50 km/h restriction will normalise the speed environment on this stretch of road which has two intersections and a rail crossing. The 50 km/h limit will be appropriate for the industrial environment with large numbers of heavy vehicles requiring property access.

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree?

Reasons:

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Yes I agree I live on Barrie Crescent and it is a drop off zone for kids to enter school, we do however have 2 problem area's.

There is a sign at the beginning of Barrie Cres but some dick has stuck it behind the power pole so you don't see it!! maybe a couple of speed humps could help, unfortunately kids that walk to school are not with parents and don't look before crossing the road or they run out from in between parked cars

Masters Ave there is a patrolled area by primary school kids, this is extremely dangerous! As you turn from Silverdale Rd into Masters Ave there is room only for about 2 cars the amount of times there has been so many near misses of car accidents is huge, I think this crossing needs to go and utilise the Masters Ave Pedestrian crossing.

It also extremely hard to get out off Barrie Cres during the school drop off times.

SECTION 2

12. Where do you live? (Hamilton) Barrie Crescent Silverdale
(I live outside Hamilton)

13. Can you tell us your age group? 36-50

14. Which best describes your household? Family or couple with dependants (children or other family)

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: It is only a short street, no schools. It is a wide street to.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: Well I can only find Endeavour Ave on Google Maps. I think it should stay at 50km this is slow.

Lowering it to 40km could lead to more bad driving, with dangerous overtaking because of speed. Well I can only find Endeavour Ave on Google Maps. I think it should stay at 50km this is slow. Lowering it to 40km could lead to more bad driving, with dangerous overtaking because of speed

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? No

Reasons: I feel that 60km is good for the area, this is because it looks like main road and I think you need to keep traffic flowing. Not try to slow it down.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? No

Reasons: Was it is a high school, the pupils should know about the road rules.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: That it only during school hours.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: As it is around about, think it that drivers will be traveling at that speed or lower to enter a round about.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? No

Reasons: that look to slow for the road, maybe a 70 or 80km/h

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

ANON-CQBP-P9F3-8

Sub # 116

Reasons: I feel that it will be a road that was a lot of heavy vehicles and it will be safer.

9. BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.

Do you agree? No

Reasons: 70km/h is good speed for that road

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? No

Reasons: It is mainly a two lane road.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? No

Reasons: High School children should know the road rules.

SECTION 2

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: Please also extend speed limit reduction onto Kay Road from North City Road, Tennille Street, Hare Puke Drive and Borman Road extension. Kay Road West should now be maximum 60km/hr and eventually move to a 50km/hr urbanised road with full paving and street lighting. Kay Road is being heavily used for access to Horsham Downs Primary school, Hamilton Christian School and the Rototuna High Schools. In 2019, it will be used for access to Sylvester Primary. The Kindergarten Association daycare facility being built at 100 Kay Road will cater for 150 pre-school children. In addition, the residential growth along Kay Road, with commercial/retail precinct off Hare Puke/Borman Road, the pressure on Kay Road is intensifying at a rapid rate. Much of this traffic movement (cars and bikes) is children travelling to school and pre-school. Kay Road is currently a construction super-highway. Kay Road simply must not be left as an 80km/hr road. Please be proactive and include Kay Road in this round of speed limit reductions. Please don't wait for it to become an issue, crashes to happen and lives lost or adversely impacted.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Treatment of this area of road is way overdue, and unfortunately this is reactive action following loss of life and crash trauma. The HCC mantra of "when the Expressway is complete....." must stop. Development in the area and adding in extra residents has significantly increased local traffic which the Expressway will not relieve.

The section of road around the chocolate factory (currently 80km/hr) should also be included in this round of speed limit reviews. From Moonlight Drive, along Horsham Downs Road should be 50km/hr until well clear of the Horsham Downs Road/New Borman Road intersection. The whole stretch of

ANON-CQBP-P9FM-2

Sub # 117

New Borman Road should be 50km/hr, not 80km/hr leading into 50km/hr. As a layperson, it is difficult to comprehend how all the residential development is being signed off in the area with seemingly no consideration for improving safety on the surrounding roads, which are no longer rural. I respectfully request that these roads are treated in a proactive, not reactive, manner.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: However I bring this to your attention!

I live in this street and your proposal sounds good I have other views, as below.

We have racers that use this road, mostly between 4pm onwards. My suggestion is that you put in speed humps maybe two of, which would fix all, before someone gets badly hurt or killed in this street. I have full view of this street and see everything. I suggest that this be looked at for the safety of Knox St Hamilton.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

Submission to Hamilton City Council

Amendments to the Speed Limit Bylaw 2013

Submission by Generation Zero

25th of August 2017

Key Contact:

Aaron Wong
022 199 7220

aaron@generationzero.org

Generation Zero is a nationwide youth group, working towards a low carbon future. We campaign primarily around smart urban design, sustainable economic development, and good transport choices.

City Centre area

1. Knox St - Introduction of a 30km/h speed limit for the full length of Knox St.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists using Knox street and the surrounding area.

However, additional safety mitigations should be put into place to protect pedestrians and cyclists from the additional movements and reduced visibility caused by the proposed angle parking.

Consideration should be given to beginning the Victoria Street 30km/h zone before Knox Street to ensure compliance with a changed speed limit.

Northern area

2. Endeavour Ave - Introduction of a permanent 40km/h speed restriction in front of Endeavour School.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists, especially around a school area.

3. North City Rd and Borman Rd - Extend the length of the current variable 40km/h speed limit on Borman Rd and North City Rd. Introduction of a permanent 50km/h speed limit to a section of North City Rd.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists, especially around a school area and new development.

Sub # 123

Attachment 2

4. Kimbrae Dr - Introduction of a variable school zone 40km/h speed limit in front of the Rototuna High Schools.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists, especially around a school area and new development.

5. Borman Rd and Hare Puke Dr - Add the future Sylvester School to the speed limit bylaw list for 40km/h variable speed school zones.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists, especially around a school area and new development.

6. Gordonton Rd - Introduction of a variable speed intersection zone of 60km/h speed limit at the intersection of Thomas Rd.

Generation Zero **supports** this change as it increases the safety of motor vehicles.

However, care must be taken to ensure than any changes to the intersection layout does not compromise safety for pedestrians and cyclists. Gordonton road along to Wairere Drive should have upgraded facilities for cyclists and walkers, which would require a reduced speed limit.

North Western area

7. Rotokauri Rd - Introduction of a section of 60km/h speed limit in conjunction with a new roundabout.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists.

However, thought should be given to reducing the speed for that section of Rotokauri road towards Nga Taiatea Wharekura to ensure compliance with the variable speed limit outside that Kura.

8. Te Kowhai Rd East - Introduction of a 50km/h speed limit for the full length of Te Kowhai Rd East.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists.

Consideration should be given towards improving pedestrian and cycling railway crossing facilities.

9. Baverstock Rd - Replacement of the current section of 70km/h speed limit with a 50km/h speed limit.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists.

However, walking and cycling facilities should be improved along the road, which is currently narrow. The Waiwhakareke reserve and Zoo in the area are attractions for families.

Eastern area

10. Wairere Dr - Short extension of the current 60km/h speed limit north of Ruakura Rd.

Generation Zero **partly supports** this change.

254

Item 5

Sub # 123

Changes need to be made to ensure that motor vehicles do not mistake an off ramp for a high speed road, however this could be achieved by giving a prominent sign with the recommended exit speed on it.

Consideration should be given to improving pedestrian and cyclist safety for crossing the slip lanes on and off Wairere Drive and Ruakura road

11. Masters Ave, Silverdale Rd, Barrie Cres and Morris Rd - Enable Hillcrest High School to operate the existing 40km/h variable speed school zone in place for Silverdale Primary.

Generation Zero **supports** this change as it increases the safety of pedestrians and cyclists, especially around a school area.

Generation Zero also supports further reducing variable speed limits in all school zones to 30km/h and increasing enforcement to improve safety and allow more children to walk and bike to school.

Further implementation of traffic calming measures that lower speeds without compromising pedestrian and cyclist safety should be investigated.

Nga Mihi,

Generation Zero (Kirikiriroa-Hamilton)

**Hamilton City Council's Speed Limit Bylaw 2013
Proposed Amendments
August 2017**

1. Acknowledgement

Population Health, Waikato District Health Board (DHB) appreciates the opportunity to provide feedback on the proposed amendments to the speed limit schedules within the Hamilton City Speed Limit Bylaw 2013.

Our service recognises that development around the city such as the introduction of angle parking; slip lanes, roundabouts, and the Te Rapa bypass require changes to speed limits to maintain safety.

Speed continues to be a key road safety priority for the Waikato Region. Population Health congratulates Council for its commitment to improving road safety and aligning its approach with the New Zealand Transport Agency Speed Management Guide. Small changes in speed have significant safety outcomes for vulnerable road users without jeopardising network efficiency.

2. Recommendations

Population Health **fully supports** Hamilton City for the proposed amendments to the current Speed Limits Bylaw 2013.

3. Public health evidence: key points

Our support is primarily based on the significant public health benefits arising from reduced speed limits such as road traffic casualties; participation in physical activity, and local business viability.

3.1 Impact on road traffic casualties

Posted speed limits are considered one of the most significant factors in determining a driver's choice of speed particularly in the urban environment where the traffic environment is more complex.

The level of trauma that a crash has on a human body is significantly influenced by the impact speed. For every 1km/hr increase in speed there is a 3% increase in the incidence of injury crashes and a 5% increase in the risk of a fatal crash. Pedestrians are eight times more likely to be killed by cars travelling at 50km/hr than at 30km/hr¹.

¹ World Health Organisation. Safer roads: five key areas for effective interventions

Speed choice is affected by factors such as purpose of trip and travel time; roadway design, and forms of traffic regulation². Research from the Monash University Accident Research Centre suggests there is only minimal impact on individual travel times³. Speed enforcement is the mediator between speed limit and speed choice².

3.2 Impact on physical activity

Physical inactivity is a growing public health issue. Globally, physical inactivity is the 4th leading cause of death⁴. In 2010, the total cost of physical inactivity in New Zealand was \$1.3 billion. The cost of physical inactivity for the Waikato region in the same year was \$106 million. This is paid for in part by the New Zealand taxpayer through the health system⁵.

Motor vehicle speed has a substantial impact on preferences for driving over walking and cycling. Low levels of walking and cycling often arise from transport policies that pay little attention to the safety of pedestrians and cyclists⁶. The real and perceived physical danger posed by motorised traffic is the biggest barrier to walking and cycling. As a result, parents increasingly restrict the independent mobility of their children and older adults tend to self-restrict their own travel patterns.

Those living in environments that support walking and cycling have better health profiles than people in neighbourhoods with poor or less walkability⁶.

3.3 Impact on business viability

Lower car speeds contribute to higher quality of life in terms of liveability of public spaces including lower crime rates and higher levels of social interactions between people. Decreasing posted speed limits in shopping precincts and residential areas signals a higher priority on non-motorised transport such as walking and cycling than motorised transport.

There is now clear evidence linking walking and cycling to the economy. High quality pedestrian and cycling conditions are integral to retail and business success. Increasing pedestrian-friendly environments contributes to the local economy by encouraging 'dwell times' in retail centres. A Melbourne study found that more than 50% of expenditure in St Kilda's Acland Street came from pedestrians compared with only 26% from motor vehicle drivers. Pedestrians also spent more per annum compared with those who drove or were driven⁷.

4 Conclusion

Vehicle speed contributes to our high road toll. When collisions occur, higher speeds are particularly dangerous for vulnerable road users such as pedestrians and cyclists. Population Health **fully supports** Hamilton City Council to implement changes in speed limits at specific locations through their Speed Limit Bylaw.

5 Hearing

Population Health, Waikato DHB does not wish to be heard in support of this submission.

6 About Population Health, Waikato District Health Board

District Health Boards are mandated through the Health Act 1956 and the Public Health and Disability Act 2000 to improve, promote and protect the health of their populations and reduce disparities.

Population Health provides public health services, including health assessment and surveillance, public health capacity development, health improvement advisory services, and health protection and preventative interventions to people within the Waikato District Health Board (DHB) area.

Population Health activities are aligned with the strategic outcomes for the Waikato DHB:

- To improve the health of its population
- To reduce or eliminate health inequalities between segments of the population.

Population Health has a strong focus and emphasis on the determinants of health or more simply, the factors that have the greatest influence on health. Opportunities for health begin long before the need for medical care, and starts where we live, learn, work, and play.

The Waikato District Health Board (Waikato DHB) serves a population of 394,340 (2015/2016)⁸ people within 10 territorial authorities and two regional councils, stretching from the northern tip of Coromandel Peninsula to south of National Park and from Raglan and Awakino in the west to Waihi in the east. Approximately 60 percent of the Waikato DHB population lives outside the main urban areas.

Item 5

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: Motorists are going to be asked to be cognisant with the city centre to be aware of such a change. Most drivers looking for a car park look at the cars, not sign posts.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: In Edinburgh a 30kph limit has been imposed on most side streets. I did a straw pole while was there in May and only one person agreed with the policy. Everyone else said they didn't mind slowing down while schools were open but considered a slow speed at 2am ridiculous. In Edinburgh a 30kph limit has been imposed on most side streets. I did a straw pole while was there in May and only one person agreed with the policy. Everyone else said they didn't mind slowing down while schools were open but considered a slow speed at 2am ridiculous.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? No

Reasons: This looks like revenue gathering. The approach to Borman Rd from Morrinsville was always a great place for traffic cops to lie in wait.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: Not a highly pedestrianized street.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Very busy intersection.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: I bike there frequently. Lots of articulated lorries travelling at high speed.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons: Lots of cars driving to the courier post building, busy roundabout there.

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

22nd September, 2017

Anthony and Renate Bellvé

Re: Baverstock Road - Replacement of the current Speed Limit 70 km/hr with a 50 km/hr Speed Limit

Dear Sir/Madam,

We endorse Hamilton City Council's proposed replacement of Baverstock Road's speed limit from 70 km/hr to 50 km/hr, to improve the safety for pedestrians, cyclists, motor cyclists and drivers and other occupants of vehicles - automobiles, buses and lorries. This endorsement is congruent with the Local Government Act (2002), 'Speed Management Guide' (2013), and Section 7, 'City Speed Limit Bylaw,' adopted by Hamilton City Council on 17th September, 2013.

We recommend the rezoned speed-limit of 50 km/hr extend from Baverstock Road's T-intersection with Brymer Road, through 70-meters east of Lloyd Drive; rather than to the Council's proposed location of 70-meters east of Wexford Rise (see attached letter and map). The one-block extension will enable the replacement speed limit to correspond with the position of the present signpost designating the 70-km/50-km/hr transition.

Our endorsement is based on essential improvements in road safety for mitigating present and future increases in pedestrian and vehicular traffic, whilst:

- 1) Providing an arterial cross-connection for commuters travelling between Raglan and Hamilton,
- 2) Commuting of local residents to and from new homes on infill-sections and larger developments of Jack Rise and Ruske Place,
- 3) Shuttling busses regularly servicing the Dinsdale and Frankton Routes between Hamilton City and Hamilton Zoo,
- 4) Strolling leisure's of pedestrians often accompanied by children, grandchildren and/or pet animals, during early morning and evenings hours and particularly on weekends,
- 5) Conveying commercial goods in transport vehicles - vans, trucks and lorries - often hauling large, laden trailers,
- 6) Sightseeing people from local, regional and national settings visiting Waiwhakareke Reserve and the expanding Hamilton Zoo,

Additionally, in anticipation of:

- 7) Expanding the new development on Rotokauri Road into the already planned Rotokauri Village, comprising a new commercial center, homes for 16,000 to 20,000 residents, primary and secondary schools, an industrial park, and green reserves, for servicing the new township,
- 8) Increasing transit for new heavy commercial and industrial traffic, to the nearby Route 1 bypass, for laden vehicles to travel into Hamilton and to other regional and national destinations.

266

Item 5

Sub # 127

Related Comments:

During our occupancy of _____, Rotokauri, since September 2012, we have noted a substantial increase in pedestrian and vehicular traffic. The rough, narrow road conditions in the western section of Baverstock Road were drawn to the Council's attention, in our letter of 9th April 2014. This communication was followed by an inspector-based review and patched repairs of the deteriorating road. The repairs, while appreciated by local residents, did not address the narrow confines and lack of structured curbs to facilitate drainage. Rather, articulated trucks with trailers, hauling <30 tonnes of clay or gravel, continue to ramp along Baverstock Road narrowly passing transit buses travelling to and from Hamilton Zoo.

The scene changes with nightfall, particularly on Friday through Sunday. The road becomes a playground of feckless speedsters driven to create doughnuts and wheelies on grass verge and macadam, while others carouse and flick waste through vacant car windows. Their discarded fast-food and beverage containers are blown through boundary fences and hedges into private properties. A few irresponsible drivers charge their vehicles along Baverstock's dragstrip at speeds <140 kph, trailed by twin, exhaust pipes resonating intermittent gear changes across the country-side.

Regrettably, people have lost their lives during the past three years; a driver was killed and two passengers were injured seriously when their car slammed into a concrete boundary wall at the intersection of Baverstock Road with Lloyd Road, and a motorcyclist was killed when he side-swiped then new pedestrian island at the T-intersection with Brymer Road.

Conclusions:

The present speed limit is excessive and therefore we support Council's intent to lower the speed limit to 50 km/h throughout Baverstock Road. Also, the western section of Baverstock Road urgently requires improvements, including widening and repairs to ensure to proper drainage during and following heavy rainstorms.

Collectively, such improvements will help substantially to improve public safety along Baverstock Road.

Sincerely yours,

 Anthony and Renate Bellvé

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree?

Reasons:

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons:

BHLF-CQBP-P9BC-M

Sub # 128

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: Traffic, particularly heavy transport, approach the lights at great speed and little opportunity to stop easily.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Very busy when school comes out especially. Pleased it includes Barrie Crescent.

Comments:

Please ensure road signs are visible as they are approached (by the driver). There are several places where signs or lights are obstructed by other signs, posts, trees etc. This is not helpful and could cause an accident because they cannot be read.

Ngaire Atmore
Hamilton City Council
Private Bag 3010
Hamilton 3240

Dear Ngaire

Review of Hamilton City Speed Limit Bylaw 2013

Thank you for your email of 10 August advising the start of formal consultation on the proposed amendments to the speed limit schedules within the Hamilton City Speed Limit Bylaw 2013 as detailed on the Council's website.

Please note that the new Land Transport Rule: Setting of Speed Limits 2017 comes into force on 21 September 2017, before your consultation period finished on 24 September. As your speed limits change process will be finalised under the new Rule, the Agency advice to Council is to seek legal advice to confirm the speed limits will be legal.

Please note that the new Rule reinforces the new approach set out in the Speed Management Guide and the information in the maps provided to RCAs by the Agency.

With regard to the specific proposals detailed in the Statement of Proposal: Proposed Amendments Hamilton City Speed Limit Bylaw 2013 currently on the Council's website, I can confirm that the Transport Agency view is that they are consistent with the requirements of the new Rule and the Speed Management Guide.

Yours sincerely

Niclas Johansson
Senior Manager Internal Practice

EASTERN AREA:

10. WAIRERE DRIVE - We are proposing to extend the current 60km/h speed limit for a short section of Wairere Dr, north of Ruakura Rd.

Do you agree? Yes

Reasons: Too many motorists not obeying signage.

11. MASTERS AVENUE, SILVERDALE ROAD, BARRIE CRESCENT AND MORRIS ROAD - We are proposing to add Hillcrest High School to the speed limit bylaw list for the existing variable school zone 40km/h speed limit in these areas.

Do you agree? Yes

Reasons: Additional comments:

I would also like to say the intersection at Wairere Drive Gordonton part where the shops Doctors and soon to be tavern opening, the motorists are not using the right lanes now and they cut across the cars using the proper lanes. I've seen a few near misses there already.

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: I cross this road on a regular basis.

I believe a 40km/h speed limit should be mandatory in front of all NZ schools for the safety of students, parents and staff. 50km/h is still too fast to be able to drive in such a vulnerable area, especially in the morning and afternoon, when students are being dropped off and collected. I cross this road on a regular basis.

I believe a 40km/h speed limit should be mandatory in front of all NZ schools for the safety of students, parents and staff. 50km/h is still too fast to be able to drive in such a vulnerable area, especially in the morning and afternoon, when students are being dropped off and collected.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Same as Endeavour School.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: Same as Endeavour School.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: Yes this is a very busy intersection now and drivers need to know they have to slow down.

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons:

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? No

Reasons: No reason to - should do it outside schools.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? No

Reasons: Flagstaff/Flagstaff

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: Should be 20km.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons:

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: 50km's health and safety.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree? Yes

Reasons: Always Police and Police chase around Nawton area.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree? Yes

Reasons:

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree? Yes

Reasons: Always speeding cars and buses are up there.

Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: It is busy and 'narrow-ish' with lots of parked cars.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons: All schools should have lower speed. All schools should have lower speed.

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: See above.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons: See q2.

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree? Yes

Reasons: See q2.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree? Yes

Reasons: I don't use this area much, but, it can be a tricky turn off, lower speed could help.

NORTH WESTERN AREA:

7. **ROKOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**

Do you agree?

Reasons: Don't know area.

8. **TE KOWHAI ROAD - We are proposing to introduce a 50km/h speed limit for the full length of Te Kowhai Rd East.**

Do you agree?

Reasons: See q7.

9. **BAVERSTOCK ROAD - We are proposing to remove the existing 70km/h speed limit and introduce a 50km/h speed limit for all of Baverstock Rd.**

Do you agree?

Reasons: See q7.

Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013 Feedback Form

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree? Yes

Reasons: Thank you for the opportunity to provide feedback on the proposed speed limit changes. In principle we support all the proposed changes, which will enhance road safety in Hamilton City.

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree? Yes

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree? Yes

Reasons: After considering the changes the Hamilton City Road Policing Team make the following suggestions...

1. The proposed 40kmh variable speed limit on North City Road: This could be extend so that it encompasses Bourn Brook Ave and links up with the other proposed 40kmh variable speed limit outside Rototuna high school. In effect, the proposed variable 40kmh speed limit starts on cnr of Borman Rd and Nth City Rd and continues north on North City Rd to intersection of Bourn Brook Ave, runs down Bourn Brook Ave, then continues along Kimbrae Ave past Rototuna high school. It seems pointless to allow traffic to travel at 50kmh along Bourn Brook Ave, when there is a 40kmh variable speed zone either side of it, and Bourn brook Ave is only used to access Rototuna High so makes sense to make it 40kmh as well.

2. An additional change not covered in the proposal: Borman Road, between Horsham Downs Road and Barrington Drive, it is 80kmh for a very short time, then goes to 50kmh. It needs to be 50kmh the whole way through, because cars only just get their speed up to 80kmh, when they hit the 50kmh area and as they are going downhill, they don't slow down till they are way past Barrington Drive, which is a busy little road with lots of children around.

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree? Yes

Reasons:

Hamilton City Council
Attention: Robyn Denton
Operations Team Leader
City Transportation Unit
Private Bag 3010
HAMILTON 3240

Dear Robyn,

HAMILTON CITY COUNCIL SPEED LIMIT BYLAW AMENDMENTS

Thank you for the opportunity to comment on the proposed changes to the Hamilton City Speed Limit Bylaw and apologies for this late submission.

As discussed the changes likely to impact us as an adjacent Road Controlling Authority are those on the shared roads in Schedule 11.

We have noted that Rotokauri Road (from a point 250m south west of Exelby Road to a point 235m northeast of Bagust Road) is shown as having a speed limit of 100km/hr in Schedule 11. As part of the Waikato District Speed Limit Bylaw review we are proposing to change this to 80km/hr to match the surrounding roading network.

We ask that Hamilton City Council adjust Schedule 11 to reflect our proposed change for this section of road from 100km/hr to 80km/hr. Please note that our consultation period for the Waikato District Councils Speed Limit Bylaw Amendment closes on 13 October 2017 and a final decision has not been made. Our hearing is scheduled for 27 November 2017.

We ask that Hamilton City Council make its approval of the proposed changes in this area conditional on Waikato District Council approving the corresponding changes to our network as it would not be practical to implement the changes to the boundary roads until both Road Controlling Authorities have approved them.

Yours sincerely

Allan M Sanson
MAYOR

**Proposed Amendments to the Hamilton City Speed Limit Bylaw 2013
Feedback Form**

CENTRAL CITY AREA:

1. **KNOX STREET - We are proposing to introduce a 30km/h speed limit for the full length of Knox St.**

Do you agree?

Reasons:

NORTHERN AREA:

2. **ENDEAVOUR DRIVE - We are proposing to introduce a permanent 40km/h speed limit in front of Endeavour School.**

Do you agree?

Reasons:

3. **NORTH CITY ROAD AND BORMAN ROAD - We are proposing to introduce a permanent 50km/h speed limit to a section of North City Rd and extend the current variable school zone 40km/h speed limit on Borman Rd and North City Rd.**

Do you agree?

Reasons:

4. **KIMBRAE DRIVE - We are proposing to introduce a variable school zone 40km/h speed limit in front of Rototuna High Schools.**

Do you agree?

Reasons:

5. **BORMAN ROAD - We are proposing to add Sylvester School (to be built) to the speed limit bylaw list for a variable school zone 40km/h speed limit in Borman Rd and Hare Puke Dr.**

Do you agree?

Reasons: The Sylvester School establishment Board is responsible for establishing a new primary school at the location. The Board supports to 40km/hr speed limit in the vicinity of the school.

Can you also have a look at the planting carried out at the Borman Rd/Hare Puke roundabout as it is likely to obscure the visibility of children crossing the road. The grasses look great but they are getting quite big. Reduction of the height of planting back to the footpath from the road would be appreciated. Perhaps replacement with low height variety will avoid future maintenance issues.

6. **GORDONTON ROAD - We are proposing to introduce a variable speed intersection zone (60km/h) at the intersection of Thomas Road.**

Do you agree?

Reasons:

NORTH WESTERN AREA:

7. **ROTOKAURI ROAD - We are proposing to introduce a section of 60km/h speed limit on Rotokauri Rd in conjunction with the construction of a new roundabout.**
