Subject: RE: LGOIMA 21020 - Response - RNZ - January 2021 - Request on trade waste consent breaches - HCC
Attachments: HCC Trade Waste LGOIMA Febr 2021 for release.pdf

Kia ora [REDACTED],

I refer to your information request of 26 January 2021, Hamilton City Council is able to provide the following response.

You have requested

- The names of companies that have breached their trade waste consents in the past year.
- The date and details of what the breach was

Please find attached a table showing the names of companies that have breached their trade waste consents since November 2019 to the date of your request, and the date and details of what the breach was.

Please note that many of the breaches are low-risk and of technical nature. Many are also recorded as a result of self-monitoring by the companies involved. Self-monitoring is an important part of management of our network – the continued provision of this information is reliant on the relationships Council has with companies that discharge to our network. The organisations that take responsibility for their own breaches, by self-monitoring and acting on those breaches, should be congratulated.

Council has released this information under LGOIMA in good faith. We note that the factual circumstances surrounding this matter have changed since the release of the initial RNZ report and we now consider the public interest in this matter to be high and outweigh any good reasons to withhold this information.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Kind regards,
Michelle

Subject: LGOIMA request on trade waste consent breaches

Warning! This message was sent from outside your organization and we are unable to verify the sender.

Hi Nigel,

As per your conversation with [REDACTED], here is my new request for trade waste consent data.

Can I please have:

- The names of companies that have breached their trade waste consents in the past year.
- The date and details of what the breach was

Any queries, please get in touch.

Thank you
