Dear [REDACTED],

RE: RESEAL, PARVEMBER REHABILITATION AND FOOTPATH RENEWALS/ DEVELOPMENT/ MAINTENANCE – 21026

Further to your email received on Thursday 28 January 2021, requesting a copy of Hamilton City Councils list of reseal, pavement rehabilitation and footpath renewals/development/maintenance programmes for the 2020/2021 financial year, please find our response below.

Request (1)

Would it be possible to get a copy of Hamilton City Councils list of reseal, pavement rehabilitation and footpath renewals/development/maintenance programmes for the 2020/2021 financial year.

Response (1)

The Hamilton City Council 2020/21 pavement resurfacing and footpath renewals can be located in Appendix 1.

Details of planned improvement projects for 2020/21 can be located on our Hamilton City Council website [Safety and Access Improvement Programme - Hamilton City Council](#)

A maintenance programme is not readily available as it is reactive to customer requests and faults found on the network via our network inspectors.

If you have any concerns with the decision referred to in this response, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

For your information, the Ombudsman's contact details are:
