Good afternoon.

I am seeking information about repayment of funds borrowed by the Hamilton City Council. Is there a schedule of such loans showing the current unpaid capital value, plus the next annual payment amounts of principal and interest? Maturity dates for each loan would also be of value.

I have been unable to locate such a document in the latest 10 year plan papers. This may be because of my lack of knowledge of the structure of the 10 year plan. However I would appreciate if a copy of the schedule could be sent to me electronically, or some instructions how I may retrieve it from existing website information.

Regards
