I refer to your information request below, Hamilton City Council is able to provide the following response.

**You requested (1): How many public landfills do you have currently operating in your area?**

There are no public landfills operating in Hamilton. City waste is taken to the EnviroWaste Services Limited Hampton Downs facility. Any questions relating to the operation of this facility should be directed to EnviroWaste Services Limited.

**You requested (2): What is the total remaining capacity of those landfills, in tonnes?**

Hamilton City Council does not have any public landfills in operation, therefore we are unable to answer this question.

**You requested (3): At your district's current waste production rates, how long will that capacity last?**

Hamilton City Council does not have any public landfills in operation, therefore we are unable to answer this question.

**You requested (4): How many kg of waste does your district generate per year, per head of population?**

Over the 2020 calendar year, the city's kerbside waste collection generated 21,319.48 tonnes of waste or 0.132 tonnes of waste per head of population (based on 2018 census figures of 160,911 population).

**You requested (5): Do you have additional capacity either consented or in the pipeline? If so, what is the total additional capacity in tonnes, and how long would that last?**

There are no public landfills operating in Hamilton. Therefore, there is no additional capacity consented.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

Subject: Fwd: LGOIMA request about landfill space

Hi there

Can you please answer the following questions:

- 1) How many public landfills do you have currently operating in your area?
- 2) What is the total remaining capacity of those landfills, in tonnes?
- 3) At your district's current waste production rates, how long will that capacity last?
- 4) How many kg of waste does your district generate per year, per head of population?
- 5) Do you have additional capacity either consented or in the pipeline? If so, what is the total additional capacity in tonnes, and how long would that last?

Please let me know if you have any queries or concerns about the nature or scope of this request.

Thanks very much
