### **Detailed Description of Request**

Hello,

This is an official information act request for the worst traffic light intersections in Hamilton for the past five years.

Could I please get the worst set of lights for crashes broken down into years ie 2016, 2017, 2018, 2019, 2020?

Could I please get that broken down into gender and ages?

Could I also get the seriousness of the crashes?

And the cause of the crashes?

Anything else you could offer me about this topic would be appreciated.

I calculate the 20 working day deadline to be March 19, 2021

Could you please acknowledge receipt of this request via email?

Also, if all or part of the information requested cannot be provided I would like a written reason why.

Thank you
