My apologies!

After speaking with the appropriate team, their response is as follows.

We have provided all the possible information that we can. The link to the portal which we provided in our earlier response is where Hamilton City Council received its own information.

We received no report produced by Taituara, all the findings are on the portal under the different aspects, Stormwater, wastewater etc. This information was compiled by Taituara and only findings have been published.

Here is a link to their contact details if you wish to seek further information from them - <https://taituara.org.nz/contact-us>

Good morning, This part of the report (Section 54) covers Waikato/ Bay of plenty/ 3 waters/ . This part of the report covers the shortfall in funding for **all** councils but doesn't identify the issues specific to Hamilton. Please provide the details or report of the infrastructure shortfall specifically for Hamilton. A summary version of any report is sufficient. Thanks

Kind Regards
