Subject: RESPONSE: LGOIMA 21134 - [REDACTED] - Electronic Signature Software.

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

I apologise for the delayed response, this response had been sitting with a team member who is on leave.

That being said, to my knowledge (and having consulted with our Information Services team), Hamilton City Council uses the software **DocuSign** for all our electronic signing. In some instances, we also use AdobeAcrobat Pro to attach pre-conceived electronic signatures when needed.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Detailed Description of Request

Good afternoon,

I am currently investigating which electronic signing software we could use here at Nelson City Council for contracts etc and was interested to see what software Hamilton City Council uses?

Thank you in advance,
