Option 2 – Remove the theatre and create a multi-purpose park

This is Council's preferred option. It keeps and repairs the Dame Hilda Ross Memorial Fountain and creates a modern, welcoming, multi-use inner-city park with zones for different activities.

The cost depends on your ideas. It will be more than the budget provided for Option 1. If Council decides on this option, we will seek further community feedback during the 2021-31 Long-Term Plan consultation in March.
