**Subject:** RESPONSE - LGOIMA 21181 - [REDACTED] - Action Steps for Climate Change and Sustainability

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

As clarification was not received regarding the details of the LGOIMA request, we have provided the following assumed response.

Last year Hamilton City Council published our 2020/21 Climate Change Action Plan, it outlines the actions we are taking on climate change. You can access it on our website - [Climate Change - Hamilton City Council](#). We will be updating this action plan to reflect what we will deliver in 2021/22, this will be presented to the Environment Committee on 26 August for approval. We are in the process of developing our Climate Change Strategy for Hamilton, this will set the emissions reduction targets for Hamilton that the Council will be seeking to achieve. These will be informed by the Governments emissions budgets and the Climate Change Response Act 2002. We will engage with businesses in the development of the strategy.
