Kia ora [REDACTED]

Please find attached the daily returns schedule for the East Ward by-election.

As advised earlier, we are unable to generate any election results (counting of votes) until after voting has closed (section 84 the Local Electoral Act 2001) so I am unable to provide you with any election results as at today, or any other date until voting has closed next Wednesday. I understand Council officers will be emailing the results through to candidates once available next Wednesday afternoon.

The daily voting returns statistics will however continue to be generated on a daily basis and placed on the council's website.

Hope this clarifies.

thank you for responding to my request, yes I would like statistics on the number of electors. I would also like the official information in my first request (sent in a previous email) to be actioned as soon as legally allowed.

My second official information request is to request all the voting statistics from Wednesday 18 August 2021 to the closing of the by-election on 25 August 2021.

I look forward to receiving the information on both official information requests when the law allows you to send it.

Thanks for your email. By law, votes are not counted until after voting closes, which as you are aware has now been extended to 12 noon, Wednesday 25 August (due to Covid restrictions), so vote totals have not been generated. We do however have the daily returns schedule which shows the number of electors that have returned a vote on a daily basis (which is available on the Council website) but let me know if you would like a copy of this.
