**Subject:** LGOIMA 21314 - [REDACTED] - Peacocks area sewerage reports from 2002 / 2006

Kia Ora,

I write to acknowledge your information request of Tuesday 26 October 2021 as below.

Please be advised that your request has been passed on to the relevant team within Council and you will be informed of the outcome.

The Local Government Official Information and Meetings Act 1987 requires that we advise you of our decision on whether the Council will provide the requested information as soon as reasonably practicable, and no later than 20 working days after the day we received your request. We will respond to you no later than Tuesday 23 November 2021.

In light of the recent announcement regarding COVID-19 and New Zealand's Alert level 3, the safety of our employees is paramount. We've made necessary changes to our working environment and operations that may result in limited availability of some of our staff members. We appreciate your patience during this time. Please allow some extra time for a response to your request as we are all doing our best to accommodate the new circumstances.

Kind Regards,

**Tatiyana** | Official Information & Legal Support Advisor

**To:** official information <[officialinformation@hcc.govt.nz](mailto:officialinformation@hcc.govt.nz)>  
**Subject:** Peacocks area/ Sewerage reports from 2002/ 2006/

Warning! This message was sent from outside your organization and we are unable to verify the sender.

Good afternoon, HCC commissioned several reports from different companies in the period 2002 to 2006. One such report ( a peer review ) was from MWH (Waste Management) in 2006 in response to a report on Sewerage options prepared by Marten Consulting Engineering from Australia. We have the Marten report but not the Waste Management report. Please provide a copy of MWH report.

We also request the following report that cover the same area and time.

- (1) Beca Planning ( 2002 October) Peacock scoping study.
- (2) Aqualink ( 2004 Sept ) Prefeasibility investigation of options for land base waste. ( phase 1 )
- (3) Fraser Thomas Ltd ( 2005 Feb ) Wastewater services for Peacocke growth area.
- (4) Aqualink ( 2005 April ) Prefeasibility options for land base waste ( phase 4 )
- (5) MWG ( 2006 Jan ) Peacocke area waste review.

Many thanks.

Kind Regards
