Subject: LGOIMA 21392 - [REDACTED] - Mayor and Councillor Vaccination Requirement

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

Can you please tell me whether there is a requirement for the Hamilton Mayor and Hamilton City Councillors to get the COVID 19 vaccinations?

There is a requirement for all people who wish to attend Council and Committee meeting in person, or to enter our community facilities to be vaccinated. This includes Elected Members, staff and members of the public.

If so, I would also like to know the dates by when the Mayor and Councillors had to or will have to get the COVID 19 vaccinations.

The above policy takes effect from 14 December 2021. Details of the Policy can be found [here](#) in the Council agenda of 30 November 2021.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
