Hey Louise,

How are you?

I am doing a little bit of work for a national medical insurance offering for Council's. I am working informally with what was SOLGM (can't recall there new names).

I need to build a model of average staff per function. Are you able to provide me rough outline of headcount per unit? If there is a quick and easy outcome that would be great – doesn't need to be 100% detailed as I am going to normalise it.

Much appreciated.

Warm regards,
