Hi Davina,

We have services available, so customers have the option of borrowing books and other collection items without entering our branches. We have Click and Collect, Digital Library, eServices, and a Homebound service. To find out more about these services, you can visit our website [here](#).

Our decision to require a My Vaccine Pass was based on risk assessments of the work our staff undertake, the nature of the services and legal guidance. The risk assessments showed that all services present a risk of COVID-19 transmission. It also highlighted the need to protect Council's essential workers to keep our city's infrastructure and services running.

We know these are challenging times and we look forward to the day when these restrictions will no longer be required.

Kind regards,
