## REQUEST FOR OFFICIAL INFORMATION (LGOIMA) – STREET FURNITURE

1. We make the following request for information under the Local Government Official Information and Meetings Act 1987 (**LGOIMA**):
  - (a) Details of the agreements Hamilton City Council (**Council**) has with oOh!media Limited (or other similar provider) relating to bus stop and street furniture advertising, particularly:
    - (i) details of when the current contracts relating to bus stop and street furniture advertising expire; and
    - (ii) when the Council intends to tender for new contracts; and
    - (iii) any details of the proposed process for tending for new contracts.
2. This request deals with limited details of a contract for public services, the Council's tendering process, and contracts that will expire and for which the public may tender. Accordingly, there are no conclusive or other good reasons for withholding this information under LGOIMA. In particular, providing the information requested will not:
  - (a) affect the privacy of natural persons (s 7(2)(a));
  - (b) prejudice the commercial position of any person (s 7(2)(b));
  - (c) impact the Council's carrying out commercial activities (s 7(2)(h));
  - (d) prejudice or disadvantage any negotiations by Council (s 7(2)(i)); or
  - (e) result in improper gain or advantage (s 7(2)(j)).
3. In the event the Council considers that any reason for withholding applies, we consider that those reasons are outweighed by considerations which render it desirable, in the public interest, to make the information available. It is in the public interest for a local authority to be transparent about its tendering processes and contracts, particularly where those contracts involve assets used by the public, allowing new entrants to participate in future tenders and compete on ideas and price. This drives competition in the market to provide those services, which is in the best interest of the public and ratepayers.

4. While the Council has 20 working days from receipt of this request to decide on the request, we respectfully ask that the request be treated as urgent. The request is important to the decision-making of our client and has deliberately been framed narrowly. The 20 working day timeframe is a limit, not a target, and does not restrict requests from being decided earlier, which is appropriate in this instance. We would prefer to receive any response electronically and would be happy for response to be provided in stages, if that means information will be provided more quickly.
5. We look forward to receiving your response.

Yours faithfully  
**Wynn Williams**
