**Cc:** official information  
**Subject:** Final Response - LGOIMA 265083 - [REDACTED] - kerb discharge, stormwater and wastewater connection and ground discharge testing details for 29-31 Crawshaw Drive, Nawton

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

Thank you for your official information request e-mail on the 16<sup>th</sup> of May 2022.

#### **You Requested**

Information relating to kerb discharge, as well as stormwater and wastewater connection details, and ground discharge testing details, for your client who is proposing a new subdivision residential development at 29-31 Crawshaw Drive, Nawton, (Legal Description: Lot 35 DPS 36525 & Lot 34 DPS 36525).

#### **Our Response**

Kerb discharge, stormwater and wastewater connection details are available online via the public CityWaters Viewer (<https://www.hamilton.govt.nz/our-services/water/citywatersviewer/Pages/default.aspx>). Levels, locations and dimensions of works shown on the viewer may not be accurate due to circumstances that have not been notified to Council. A physical check should be made on all levels, locations and dimensions before starting design or works.

Hamilton City Council has no record of any site specific testing (ground discharge testing details) being completed for 29-31 Crawshaw Drive. This will have to be completed as part of any future development. Therefore we are not able to provide this information as it does not exist per [s17\(e\) of LGOIMA](#).

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.

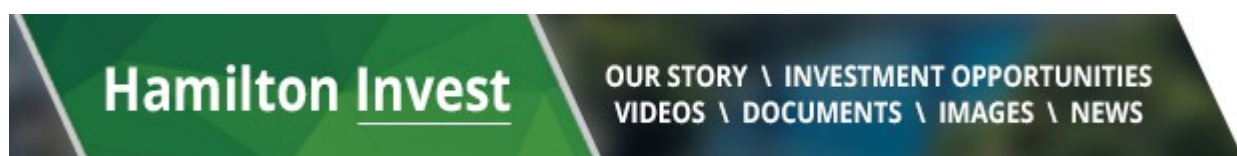

Kind Regards,
