You requested:

Specifically you asked whether HCC (Animal Control or in general) have received any complaints regarding cats in the Dinsdale area, specifically over the last 18 month.

Our response:

I can confirm that Animal Education and Control has received one complaint about cats in the Dinsdale area over the last 18 months. This complaint was received in October 2021. On that occasion we were unable to substantiate the complaint.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
