Subject: Final Response - LGOIMA 270341 - 7(2)(a) - information on buildings where the depreciation has now been assessed at 100 years or more
Attachments: LGOIMA 270341 - Building Listing over 100 years.xlsx

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

Your Request:

Good afternoon, in the notes to the accounts "building " depreciation in has been moved from 100 to 200 years over the last 3 years. Please provide the following information.

- (1) the list of building where the depreciation has now been assessed at 100 years or more. (if any)
- (2) For building now being depreciated at 100 years or more please identified, with the following additional information.
 - (a) the original purchase / construction cost, with dates.
 - (b) any revaluation of these assets and the date of revaluation/ revaluations.
 - (c) the current asset valuation.
 - (d) the % currently being used in the depreciation schedule.
 - (e) Did the auditor approve of any changes and if so, when?

Our Response:

Please find attached asset listings for the buildings class, for assets over 100 years, for the Financial Years 2019, 2020 and 2021. Also included is the revaluation and dates of these assets.

With regards to the query on if the auditors have approved any changes and if so, when, please refer to the Audited Annual Reports for the respective years on the website.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
