Subject: Final Response - LGOIMA 276421 - Information regarding how often each councillor has been attending their HCC meetings
Attachments: LGOIMA 276421 - Information regarding how often each councillor has been attending HCC meetings.pdf

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

Your request:

Could I please ask where I can find how often each councillor has been attending their HCC meetings?

Our Response:

You can locate the attendance records online [here](#). For ease of reference we have also provided the attached document which captures the Elected Member attendance records for all Hamilton City Council meetings for the triennium. You can also find attendance at specific Hamilton City Council meetings [here](#), as attendance is also recorded in the minutes for each meeting.

One additional point that we would like to note separate from the attached is that there are cases where an Elected Member will attend a meeting (or Briefing) of which they are not a members of. In these cases they are attending in an observatory capacity and their attendance is noted in the minutes but not recorded in terms of their being present for all or part of the meeting. If they do not attend a committee meeting of which they are not a member, then their 'absence' is not recorded. This is due to non-committee member attendance having no bearing on the quorum of meetings.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Kind Regards,

Elected and Appointed Members Attendance

These tables show the attendance of Elected and Appointed Members for Council, Committees and Briefings. The attendance records do not include elected members' late arrivals, absences during meetings or early departures. This information is recorded as part of the [minutes](#). Absences during the period shown may include prearranged leave, illness, bereavements and away on Council business.

The attendance records do not reflect elected members' other commitments, which can have a significant workload and time commitment attached.
