Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

Your Request 1:

Please provide a copy of all minutes of the Traffic Forum referred to in this document

Our Response 1:

The Traffic Forum is intended to provide for holistic integration of traffic management between Council and private development activities. It has not been required to meet yet as no substantial development activities have begun yet. Therefore, as no minutes for the Traffic Forum exist, we are refusing this part of your request per [s17\(e\) of LGOIMA](#).

Your Request 2:

Please provide all correspondence from the Council to HEB Construction Ltd regarding complaints, speed infringements, traffic incidents and safety issues for contractors' trucks using Peacockes, Bader, Waterford and Dixon residential streets

Our Response 2:

We have been advised that you were contacted directly by Council's Infrastructure Development group and it was agreed Council would provide an update to previously provided information relating to reported Truck Speed Exceptions. Please find attached table including all reported speed exceptions across the routes monitored. You will note the numbers of speed exceptions are very low. These are raised at regular toolbox meetings and therefore have not prompted specific correspondence between Council and HEB.

For reference, you had previously asked for speed exception data for Waterford Road, which had been provided in the table below within LGOMIA 25476.

Speed exception data	
Period (Month)	Speed exception on Waterford Road
October 2021	19 Waterford Road – 55 km/h 55km/h on downhill grade by Sanford Park. 55km/h at 3 Waterford Road
November 2021	55 km/h Waterford Road Waterford Road 51km/h 22/11 Waterford Road 55km/h 25/11
December 2021	55km/h Waterford Rd 9/12
January 2022	57km/h Waterford Cres 12/1
February 2022	No speed exceptions recorded
March 2022	No speed exceptions recorded

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
