Kia Ora **S 7(2)(a)**

I refer to your request for information below, Hamilton City Council provides the following response.

Please see attached the most up to date Development Contributions Revenue spreadsheet for the current financial year to date – Jul 2022 to Feb 2023.

*Please be aware that DC revenue is a live dataset, which means it could be subject to change due to the operational reasons e.g. refund, demand change, retrospective update based on new information etc.

*Please also be aware, there is a final difference of \$0.48 between the DC team and Finance team amounts. This is due to the rounding on decimal places when the team prorate the DC revenue by activity, sector, growth cell and DC catchment (the table format below).

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Kind Regards,

Tatiyana

Subject: Final Response - LGOIMA 306049 - **S 7(2)(a)** - Confirmation of whether the annual report or the table provided with LGOIMA 290757 is correct

Kia Ora,

I refer to your **information request below**, Hamilton City Council is able to provide the following response.

Your Request 1:

I observe the recently published Annual Report for 2021/22 shows total DC revenue of \$27,062K (refer to note 9 on page 170 of the report). This figure is considerably less than the DC revenue for 2021-22 set out in the table previously provided. That being total DC revenue for 2021-22 sums to \$28,658K. Obviously the information provided in either the annual report or the table is erroneous. Can you please advise where the error is located and what needs to be done to correct it?

Our Response 1:

The Annual Report figure is correct. The discrepancy was due to a data query issue used to

compile the information provided in the LGOIMA response.

Your Request 2:

I also observe the 2021/22 Annual Report makes no reference to DC revenue attributable to community infrastructure (CI). Was there no DC revenue for CI actually generated in the last financial year?

Our Response 2:

Yes, there was DC revenue for CI generated in the last financial year.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
