Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

Please explain the payment structure for the PayMyPark app from HCC, including:

- (1) *Any one-off or setup fees*
- (2) *Any ongoing fees*
- (3) *Any commissions paid (e.g. if part of parking fees is retained by PayMyPark rather than flowing to HCC)*

Our response:

1. **Any one-off or setup fees**

Registering for the PayMyPark app is free, however you need a credit card/ internet banking to pay for parking via the app. Any smart phone or mobile device can download and access the app.

2. **Any ongoing fees**

The fees and charges for PayMyPark can be found [here](#) under Finances, in the 'Our Top Up Fee Structure' section.

3. **Any commissions paid (e.g. if part of parking fees is retained by PayMyPark rather than flowing to HCC)**

The supplier does not receive any commission on parking fees paid. The App is included as part of the contract we have in place with our compliance management system supplier AD Riley Ltd.

There is also information on the website about the on street parking and the PayMyPark App and where this app is applicable and FAQ's <https://hamilton.govt.nz/parking-and-transport/parking/on-street-parking/>

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.
