Our response:

Elected Members are required to disclose conflicts of interests as they arise and update their Declaration of Interest Form every six months. Please refer to [Hamilton City Council Code of Conduct](#) for further information on the responsibility of Elected Members in relation to conflicts of interest. The Hamilton City Council's Register of Elected Member Interests is a summary of the information provided by each Elected Member in their completed Declaration of Interest Form for this term can be found [here](#) on our website. The current triennium runs from October 2022 through to October 2025. The previous triennium conflict of interest is attached for you. This

triennium ran from October 2019 through to October 2022.

As part of each Council or Committee meeting there is an item titled 'Declaration of Interest – Tauaakii whaipanga'. The purpose of this item is to remind Members of the need to be vigilant to stand aside from decision making when a conflict arises between their role as an elected representative and any private or other external interest they might have and to receive these declarations. Any declaration are recorded as part of the minutes of the meeting which you can access [here](#).

Ultimately, it is up to each member's own judgement as to whether they have an interest that needs to be disclosed or declared, and what action they take (if any) as a consequence.

We are aware that former Cr Mark Bunting and current Cr Geoff Taylor are members of Freemasons New Zealand. We are not aware of any other memberships to Freemasons New Zealand.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Ngaa mihi
