**Our response:**

Thank you for your request to provide a list of capital projects names and spending per year within draft 2024-34 Long Term Plan. Our Chief Executive Lance has passed this onto us to respond.

You can find this information on our website using the following  
<https://hamilton.govt.nz/strategies-plans-and-projects/future-hamilton/the-finance/>

You can also find this information with project descriptions in the Agenda Item of the Council Meeting of 28 November 2023 using the following  
<https://storage.googleapis.com/hccproduction-web-assets/public/Uploads/Documents/Agendas-and-minutes/Agendas/Council-Open-Agenda-28-November-2023-v3.PDF>

Please note that Council has not been producing SAPS for each project for a number of years. If you refer to Attachment 4 (page 87) of the 28 November 2023 Council report, you will see a series of programme and project descriptions which hopefully will give you similar information previously provided by SAP's.

**Waters**

As the decision to include the Waters part of the business post year three in the Long Term Plan came after the Council meeting of 28 November 2023, a subsequent meeting was held with the Waters part of the business post year three added in.

You can also find this information with project descriptions in the Agenda Item of the Council Meeting of 20 February 2024 using the following <https://storage.googleapis.com/hccproduction->

If you refer to Attachment 4 (page 125) of the 20 February 2024 Council report you will see a series of programme and project descriptions which hopefully will give you similar information previously provided by SAP's
