Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

1. A list of all public facing CCTV cameras owned or operated by Hamilton City Council (HCC), Council Controlled Organisations (CCOs), and/or CitySafe.
 2. A list of all Automatic Number Plate Recognition (ANPR) cameras owned or operated by HCC, CCOs, and/or CitySafe.
- For each camera identified by requests 1 and 2, please include in a spreadsheet the GPS coordinates, a description of the location, and the brand and type of camera (e.g. Axis PTZ 360). Please ensure this information is accurate, I may be incorrect but I believe some coordinates given in response to a previous request were not nearby the named intersection. I hope this helps to ensure the returned information is correct without needing further clarification later on.*
3. A list of all planned public facing CCTV cameras to be installed by or on behalf of HCC, CCOs, and/or CitySafe.
 4. A list of all planned ANPR cameras to be installed by or on behalf of HCC, CCOs, and/or CitySafe.

Our response:

Please see the attached spreadsheet that we have of all our public facing CCTV and ANPR cameras for Hamilton city Council.

For our CCO's we have transfers this to the Waikato Regional Airport and CoLab to provide a response for this request. You should hear from the directly if you havent already.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Ngaa mihi

Subject: Official Information request - CCTV and ANPR Cameras

Dear Hamilton City Council,

I am writing to request the following information (for a total of 4 requests):

1. A list of all public facing CCTV cameras owned or operated by Hamilton City Council (HCC), Council Controlled Organisations (CCOs), and/or CitySafe.
2. A list of all Automatic Number Plate Recognition (ANPR) cameras owned or operated by HCC, CCOs, and/or CitySafe.

For each camera identified by requests 1 and 2, please include in a spreadsheet the GPS coordinates, a description of the location, and the brand and type of camera (e.g. Axis PTZ 360). Please ensure this information is accurate, I may be incorrect but I believe some coordinates given in response to a previous request were not nearby the named intersection. I hope this helps to ensure the returned information is correct without needing further clarification later on.

3. A list of all planned public facing CCTV cameras to be installed by or on behalf of HCC, CCOs, and/or CitySafe.

4. A list of all planned ANPR cameras to be installed by or on behalf of HCC, CCOs, and/or CitySafe.

For each camera identified by requests 3 and 4, please include in a spreadsheet the GPS coordinates of and/or a description of the planned location, the brand and type of camera (e.g. Axis PTZ 360) to be installed, and the planned installation date or timeframe if known.

Yours faithfully,
