Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

Round the Bridges Event - instructed to dismount bicycle in pedestrian area, even with low pedestrian density. It contradicts the Connected Neighbourhoods long-term vision of "I can go anywhere on my bike". The road code goes far enough, it instructs slowing down and giving space. If you have some stats on cyclists vs pedestrian accidents, I'm open to reading.

Our response:

Thank you for your enquiry.

This event is not run by Hamilton City Council this is run by Classic Events. Hamilton City Council does provide some funding and some equipment such as Gazebos. All incidents would be recorded by Classic events. <https://www.classicevents.co.nz/> - here is their website. Their email address is office@classicevents.co.nz or phone on 07 856 7215.

As such we would have to refuse this request as we do not hold this data, under s17(e) of LGOIMA – information doesn't exist.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Ngaa mihi
