Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

**Your request:**

When will the road by the lake be open and how much money is being wasted on people standing around doing nothing? This closure has made me unable to get to therapy which is dangerous for my wellbeing.

**Our response:**

The project is complete, and the intersection of Lake Domain Drive and Killarney Road is now open. Temporary road closures may still be required to undertake some remaining elements of the work; however, these will only be deployed if necessary.

Prior to the work commencing, Hamilton City Council approved a schedule of work and a timeframe for delivery. The work was completed ahead of schedule and within the approved budget allocation.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.
