I refer to your official information request dated 25 January 2024. Hamilton City Council are requesting a clarification around your request.

**Your request:**

*I am after some information on road works in Hamilton:*

**Further clarification required:**

Hamilton City Council is willing to provide a response to your request. However, to ensure we are providing you with the best response, are you able to please clarify what road works that you are looking for, as we have a few areas in the business that work on the network and corridor, as well as developers who complete road works as part of their resource consents.

For example we have

- our water connections / City Delivery that need traffic management and reinstatement works done to roads when work is completed on pipes in the road corridor.
- road sweeping that has a cost.
- maintenance of existing roads
- safety improvement works
- raised platforms and bus stop improvements
- construction of new roads

We do have a road works report attached as an example that shows all of the Corridor Access Requests within the city, this includes work by contractors on behalf of council, as well as works being carried out by utility providers, and developers within the road corridor.

If it would assist we can arrange for a staff member to discuss the above with you.

Can you please respond to the Official Information team via this email address regarding this clarification by 2 February 2024.

Please note, under [section 13 \(7\) and \(8\)](#) of the Local Government Official Information and Meetings Act 1987 (LGOIMA) – our deadline date will be extended from the date that you reply to this request for clarification.
