Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

The number of raised pedestrian crossings **completed** so far in the 2023-2024 financial year for \$100,000 or more each, including design/consultation/consenting, all construction and material costs, traffic management, and any other costs. The location and full cost of each completed crossing. The number of raised pedestrian crossings planned to be **started** by the end of the 2023-2024 financial year (but not necessarily completed in this financial year) which are expected to cost \$100,000 or more upon completion. The location and any estimated or known cost of each crossing.

Subject: Part 1 - Final response - LGOIMA 381919 - [REDACTED] - Raised Pedestrian crossings

Kia ora,

We refer to your information request below. Hamilton City Council provides the following response.

Your request:

The number of raised pedestrian crossings **completed** so far in the 2023-2024 financial year for \$100,000 or more each, including design/consultation/consenting, all construction and material costs, traffic management, and any other costs. The location and full cost of each completed crossing. The number of raised pedestrian crossings planned to be **started** by the end of the 2023-2024 financial year (but not necessarily completed in this financial year) which are expected to cost \$100,000 or more upon completion. The location and any estimated or known cost of each crossing.

Our response:

We have constructed 18 raised pedestrian crossings so far in 2023-24. The number of raised pedestrian crossings currently under construction are eight, and there are four proposed raised pedestrian crossings to be constructed within the remainder of the financial year 23/24 (this is subject to change via Council Decision). Please see locations and number of crossings reflected below:

Number of raised pedestrian crossings	Location	Status
1	213 Tramway Road	Constructed
1	7 Dawson Street	Constructed
1	58 Ashurst Ave School Crossing	Constructed
3	Intersection of Killarney Road and Lake Domain Drive	Constructed

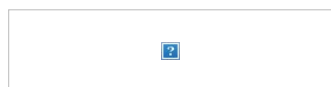

4	Queens Killarney (CERF)	Constructed
5	Lake Road Commerce Street (CERF)	Constructed
2	North City Road	Constructed
1	Hammond Street	Constructed
4	Intersection of Grey Street and Naylor Street	Under Construction
2	Rifle Range Road (CERF)	Under Construction
1	Claudlands Park (CERF), not in the road reserve but in the driveway	Under Construction
1	Heaphy Terrace (CERF), not in the road reserve but in the driveway	Under Construction
2	Hayes Paddock (CERF)	To be constructed
2	Intersection of Rotokauri Road and Baverstock Road (CERF)	To be constructed

Unfortunately, we are unable to provide the remainder of the information you are requesting today as we are still collating this. However, we will be able to get this information to you by Monday 18 March 2024.

As the raised pedestrian crossings referenced above are all part of wider transport projects, the costings that will be provided either prior to or on Monday 18 March will reflect the full cost of these projects.

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or freephone 0800 802 602.
